

Internship Opportunity

Health and Wellbeing Impacts of Public Housing Redevelopment

Project Description:

This project will involve a scoping review of the literature on the health and wellbeing impacts of public housing redevelopment and change in tenure mix (e.g., from 100% public, to mixed public and private). The work will contribute to a large-scale empirical study of a major public housing redevelopment in NSW.

Competencies Developed:

- Research skills
- Scoping review
- Preferred Reporting Items for Systematic Reviews and Meta-Analyses (PRISMA) tool
- Academic writing

Candidate Requirements:

- Completed, or working towards, a tertiary qualification in a relevant discipline (e.g., health, social science, housing).

Other Information:

Opportunity Type:	Internship/Vacation Program
Contract Type:	Temporary
Contract Hours:	By agreement, with the project lasting 3–6 months
Remuneration:	Unpaid Internship
Commences:	By agreement
Residency Requirements:	None
Location:	Health Equity Research and Development Unit, Royal Prince Alfred Hospital The internship can be carried out online and through Zoom meetings.
