Nicole Heneka

A/Prof Prostate Cancer Partnerships
University of Southern Queensland

WEBSITE: <https://staffprofile.unisq.edu.au/Profile/Nicole-Heneka>
EMAIL: Nicole.Heneka@unisq.edu.au

A/Prof Nicole Heneka leads a translational program of prostate cancer survivorship research through the University of Southern Queensland's Prostate Cancer Partnerships research collaboration. Her program of research focuses on the implementation of evidence-based prostate cancer survivorship interventions into clinical care, using participatory research methods to embed the Prostate Cancer Survivorship Essentials Framework into clinical and community settings, and analysis of prostate cancer specialist nursing services' patterns of care to inform survivorship care strategies.

SKILLSET:

- Barriers and facilitators/ Context
- Dissemination
- Evaluation
- Frameworks/models/ theories

AREAS OF EXPERTISE:

- Cancer
- Health systems/services

SETTINGS:

- Hospital
- Community
- Clinic
- Multidisciplinary Teams
