UTS Ageing Research Collaborative (UARC)

Research Showcase: Support at Home: Shaping the future of home care

11th November 2024 UTS - Sydney

Join us to explore the key challenges and innovative solutions needed to deliver integrated, sustainable, and high-quality home care. Interactive sessions and a panel discussion will cover the following topics:

- Delivering Quality Care at Home
- The role of Australia's housing in delivering sustainable care
- Digital Transformation in Home Care
- Sustaining health at home ecosystems

Key speakers include:

Nick Morgan, Assistant Secretary, Support at Home Reform Branch, Department of Health and Aged Care
Fay Flevaras, Acting Chief Digital Information Officer, Department of Health and Aged Care
Marcela Carrasco:, Acting General Manager, HammondCare at Home
Prof Paul Egglestone - Founder and Director of the Future Arts, Science and Technology Laboratory (FASTLab) at the University of Newcastle
Bill Dimopoulos - CEO & Co-Founder of Vlepis Solutions
Catherine Oats Smith from NSW Smart Sensing Network (NSSN)
